SHEDS

(APEX OR PENT)

All of our sheds are built using 50mm x 50mm planed and rounded framing, and clad with a 19mm x 125mm tanalised rebated shiplap. All floors have 19mm x 125mm tongue and groove boarding with 50mm x 50mm runners. Doors are 760mm wide with pad-bolt. Roofs are complete with 20kg mineral felt plus substantial truss/trusses. Windows are 610 x 610 glass modules; single, double or triple. All the sheds are also pre-drilled and fit together with the coach bolts supplied.

GUTTERING	£5 PER FOOT

Site preparation: This is the customers responsibility unless agreed prior. For the building to be assembled correctly the base must be firm and level.

Guarantee - Shed / buildings will be guaranteed for 12 months.

IMPORTANT - Roof coverings ie Felt or shingle tiles will not be covered against weather damage.

Tanalised Timber

Tanalised treated timber has been pressure treated with the preservative to protect from rot and decay for up to 10 years. It does not mean that the timber is water resistant. To make the timber water resistant it will still need to be painted with shed/ fence paint.

All prices are subject to alteration without notice
